

Settle the matter over the Internet

The Internet is used in the contacts of citizens with the Public Office. Cyfrowy Urząd Powiatu Proszowickiego (/Service/id,88.html) enables electronic submission of documents with secure data flow, using electronic signature. The procedure for dealing with a case begins by sending an electronic form (e-form) over the Internet. Every citizen can also check the status of their case. This becomes viable if you use your own user account and electronic signature. In addition, some e-services allow for payment of fees that can be processed directly by Cyfrowy Urząd
